FRED WHITE DIES AT
EUREKA SPRINGS

Mrs. John O'Connell received word through a letter from a Eureka Springs friend, that Fred White, youngest son of Mr. and Mrs. G. B. White, had died at their home in Eureka Springs, Ark., Friday November 18.

Funeral services were held at the home, 11 Benton street, Monday afternoon and interment was made in the Odd Fellows cemetery.

Mr. and Mrs. White and family were long time residents of Monett, Mr. White running out of here as Frisco engineer until his retirement a few years ago. The sympathy of many Monett friends is extended to them in the death of their son. Fred had been sick for many months and required the constant attention of his mother, who will miss him sadly.

FRED ALEXANDER WHITE

Fred Alexander White, son of Mr. and Mrs. G. B. White, passed away quietly at 2:40 p. m., November 18, 1921.

His nature was inclined to be optimistic. Although greatly afflicted he had great enjoyment in life though realizing that he was unable to join his boy friends in their amusements and play, he made the most of his condition and accepted it bravely and courageously, and when in better health was ready at all times to do his bit to help others, and it seemed a pleasure to him to be able to do so.

Fred enjoyed church, and especially Sunday school, and nothing but his health would keep him away from these services. Through a private teacher he learned to read, and repeated the twenty-third Psalm perfectly. We feel and know that he has been a brave soldier and relatives and friends, outside of his immediate family, who knew his generous impulses and the spirit of fairness which controlled his action toward others were most worthy traits of character.

Fred Alexander was born near Fredonia, Kan., October 8, 1877.

Funeral services were held Sunday, November 20, and were conducted by Rev. B. L. Harris, pastor of the M. E. Church, South, and Rev. L. A. Gaither, pastor of the Presbyterian church. —Eureka Springs Times-Echo.

Whitlock, conducting the services. The subject of his sermon was, "To Live is Christ, To Die is Gain," taking his text from the twenty-first verse, the first chapter of Corinthians. The sermon was a beautiful one, dwelling on the theme of what it is to live and what it is to die.

Mrs. Smith was greatly loved, and the church was filled with sorrowing friends who came to pay last respects. Mrs. Smith was a devoted wife and a lovely mother to her four children. She was a loyal member of the Baptist church and a member of the Philathea class.

Pall-bearers were members of her Sunday school class. They were: Mrs. F. C. Williams, Mrs. G. D. Shreve, Miss Amanda Periman, Mrs. Will Hartman, Mrs. O. L. Wolfe and Mrs. J. R. Chapell.

IMPROVING CITY
WATER SYSTEM

The water system of the town is being improved by the city councilmen. Heretofore the water pressure in the west part of town has been insufficient and insurance companies have threatened to raise the rates unless a better pressure was secured. The city finances this year permit of the improvement and work has commenced on laying the large mains.

A six inch main is being laid on County street from the city water works tower to Lincoln avenue. All the north and south streets in this district will connect with this line, which makes a direct pressure. This will also eliminate a few dead lines.

This improvement will save an insurance raise and it is probable that the rate may be lowered, but this is not certain.

WILSON—CHEESMAN

Friends in the city were very much surprised to learn of the marriage of Miss Edith Wilson, youngest daughter of George Wilson, of Mt. Vernon, Mo., and Mr. Arthur Cheesman, of Reverse, Kansas, who stole a march on their friends and were married in Springfield last Thursday.

The bride is a sister to Mrs. J. E. Jenkins and George Wilson, both of Monett. She has lived the greater part of her life in Mt. Vernon and numbers her friends by her acquaintances. She is very accomplished, and takes an active part in church work and social affairs.

For the present Mr. and Mrs. Cheesman will make their home with the bride's father at Mt. Vernon.

BOY SCOUTS DEFEAT
AURORA 19 TO 6

Playing a return game, the Monett Boy Scouts defeated the Aurora Boy Scouts on Thanksgiving morning, 19 to 6. The game throughout was marked by exceptionally good clean playing on both sides. Both sides played hard and with a determination to win, but Monett, under the clever leadership of Captain "Buck" Maher, and the consistent playing of Wilson turned the tide of affairs in favor of the local troop.

Monett scored in the first quarter when Richardson ran 40 yards through a broken field for a touchdown. Pitts at left half was replaced by Wilson, and from then on the speedy half back displayed great form on the way he skirted around Aurora's ends. A costly fumble on Aurora's ten yard line gave Aurora possession of the ball, and through a series of brilliant aerial forward passes, they succeeded in taking the ball to the center of the field. It was here when the flashy halfback Kirby, of Aurora, ran half the distance to the goal. It was the most sensational run of the game.

In the second half Monett played a better class of ball and succeeded in annexing two more goals to its credit. The outstanding feature of Aurora team was the demonstrative end Berg while the smallest player of Aurora amazed the crowd by his deadly tackling and catching forward passes. Wilson and Estes of Monett were the chief ground gainers for the local. A large crowd attended.

Touchdowns were made by Wilson, Richardson, Estes and Kirby.

The line-up follows:

Monett	Aurora

MONETT WINS
THANKSGIVING GAME

This Ends Perfect Season for the Home Team. Twenty-seventh Consecutive Victory.

Monett ended a perfect season Thanksgiving afternoon by defeating Neosho 27 to 0. Monett has won ten games this year nine of which were conference games, by blanking their opponents. This makes the twenty-seventh consecutive game won by Monett within the last three years. In most of the games the opponents were shut out.

A crowd estimated at 1,000 saw Neosho go to defeat. Every one decided that Monett's team was the best ever seen in this section of the country.

Monett had the ball in their possession most of the time and were never in danger of being scored on but were in the invaders territory all the time except for about three or four minutes of play. Neosho made first downs only three times and were forced to punt ten times and lost the ball on a fumble and an intercepted pass by Long. Monett, however, was forced to punt only five times and lost the ball three times on attempted drop kicks and once on an incomplete pass that should have made another touchdown. The locals made first downs eighteen times.

A feature of the game was a caught kick off by Witte, center for the home team. Witte played good all around game for Monett and was the star of the line. He repeatedly went through the opponents line and stopped plays. Miller also did good work for Monett by tearing off big gains for the Purple and Gold by going around end, one of which resulted in a touchdown. He made a touchdown by recovering a blocked punt. "Sunny" Cuendet also showed up well in the line. Henderson was the individual star in the backfield. If a runner should perchance pass the line Henderson was sure to get him and many times caught the player on the line. The safety had nothing to do but return punts. Henderson also was excellent on the offensive. W. Reynaud continued his brilliant playing and his brother Milton ran the team in admirable style at the quarterback's position. Long, who was badly crippled was not called into many plays. Rosebury and North were the shining lights in the line for the visitors. Newton was the star of the backfield making most of the yardage for Neosho.

Morrison, coach for Neosho, said: "It was a good clean game all the way. Monett has the best team in the Southwest." The penalties amounted to only ten yards which were evenly divided between the teams. Between the halves a snake dance was staged headed by four students bearing a huge turkey representing the team "bringing home the turkey." At intervals in the line placards were carried showing the scores made by Monett against those made by their opponents. The season's record made by Monett is:

At Monett 38, Wheaton 0.
At Monett 57, Rogers 0.
At Monett 7, Aurora 0.
At Monett 94, Republic 0.
At Mount Vernon 0, Monett 70.
At Joplin 0, Monett 12.
At Monett 100, Greenfield 0.
At Webb City 0, Monett 62.
At Springfield 0, Monett 23.
At Monett 27, Neosho 0.
Total Monett 490, Opponents 0.

This record is against every strong team in the conference except Carthage and no date could be secured with them.

The line up for Thanksgiving's game:
